

Dear Karate instructors,

The Roberto Danubio's 2019 IIS - International Instructors Seminar is coming; just 5 months to go

Here are some information on how to reach Spa, Belgium
The easiest way is to rent a car from one of the following airports. It is also possible to reach Spa by train; several changes are needed...

- Brussels airport: 132 Km, train station within the airport (Leuven-Liege-Spa)
- Brussels south (Charleroi): 130 Km (Shuttle from the airport to Liege, train to Spa)
- Dusseldorf (Germany): 140 Km, train station (Liege-Spa).

A pick up can be organized from Spa station in case of need.

International and national Train details and booking:

You'll find easily the airport details on Internet.

For more specific information, don't hesitate to contact me

Don't hesitate to already send an email (vandammem@yahoo.com) to pre-book the seminar and indicate if you wish to participate to the Friday and Saturday dinners. It will be helpful for the organization of these events to get an early idea of the number of participants as a limited number of places may be available. Firsts recorded, firsts served!

Further details to come later, stay tuned (<http://www.jkf-wadokai-belgium.be/>)
